

September 2009

Dear COBRA Provider:

Attached to this email, and posted on the www.cobracm.org website, is the most recent version of the COBRA assessment/reassessment medication list. The medication list is available in either portrait or landscape orientation.

There are no changes on this quarter's medication list update.

Medication lists with revision dates of March 2008, June 2008, September 2008, December 2008, March 2009, June 2009, and September 2009 are up-to-date.

The medication form is revised quarterly and represents the most up-to-date listing of FDA-approved medications for the treatment of HIV/AIDS. Please ensure that your program is downloading the updated forms each quarter and that obsolete versions are destroyed.

Updates/alerts:

- Please note the attached 'Dear Healthcare Professional' letter that details an important safety update regarding severe skin reactions in patients using Intelence™.

Thank you in advance for your time and attention. Please contact your program manager with questions or concerns.
